SMC Family,

I am pleased to inform you that the Judge signed the order which completes the CHAPA process. This was the final step in the regulatory process and now allows us to move to closing. We will be working with Inspira to come up with a settlement date. I would like to thank you for all your support you have given myself, administration, and our patients.

With my deepest gratitude and very best wishes for a bright future,

Sincerely,

A handwritten signature in cursive script, reading "Tammy Torres".
