Dear SMC Family,

I wanted to share some good news, I am pleased to advise that the Attorney General's draft approval letter was submitted to the Superior Court last Friday, and the Court has scheduled its hearing on **Wednesday, November 2, 2022!!**

Also, we received the first of two required Township approvals on Monday, October 17th, with the second approval scheduled for the Township meeting on Monday, October 31st.

Therefore, we are pressing to accomplish the closing of the Inspira transaction in the first week of November.

I cannot thank you enough for hanging in to see all our efforts and hard work come to fruition.

Have a great week!

Best regards,
